

The Law

You need to make sure your child attends school regularly and on time. You will be **breaking the law** if you do not do this and there are no good reasons for your child missing school.

Help and Support

If you need help with attendance you must **talk to the school as soon as possible.**

Sometimes, the school may need to involve other services to help. The School and the Local Authority **want to help you if you have a problem.**

If attendance does not get better or you do not accept help and support offered, the Council may have to begin enforcement action.

Please ask us if you would like this document summarised in another language or format.

Attendance

**Essential information
for parents
2019-2020**

Attending school is very important

Your child must attend school every day. Children who are regularly absent from school miss out on opportunities which can affect their life-long chances.

Lateness

School starts at 9am.

Your child receives a late mark if they arrive after this time. The register closes at 9.15am.

If your child arrives after this time, they will receive an unauthorised absence mark.

If your child is absent you must:

- Contact the school on the first morning of absence.
- Send a note into school when your child returns with the reason for absence.
- Keep school informed on a regular basis if your child is absent for a long period.

Failure to do these things may result in your child's absences being unauthorised.

Unauthorised absences can be recorded on the register when there is no valid reason given for absences, a holiday not approved by the school, lateness after the register closes or illness without medical evidence.

Medical Appointments

If it is possible, any appointment should be made out of school time. If this is not possible, your child should miss the minimum amount of school time necessary. **If your child is well enough to go back to school following their appointment they should do so.**

Medical Appointments

If you are asked for medical evidence you will need to provide copies of GP appointment cards or letters, medication details or other relevant information

Holidays / Leave of Absence

Please request an application form from school. Unauthorised leave may result in a Fixed Penalty Notice (fine).

Persistent Absence

If your child's attendance falls to 90% or below, this is considered, by Government, to be persistent absence. Where attendance falls below 90% and there are unauthorised absences, it may result in a referral to the Local Authority for enforcement action.

Please remember to contact us if your address or contact details change.
