Section 4 - School arrangements

The School curriculum

- We teach children about health and safety in order to equip them with the skills, knowledge and understanding to enable them to live positive, successful and health lives. Teachers take every opportunity to educate children in this regard in the normal school curriculum. For example, through the science curriculum we teach children about hazardous materials, and how to handle equipment safely and the PSHCE curriculum, about drugs.
- We use visits from a variety of outside agencies in order to enhance children’s understanding of issues related to Health, Safety and Personal Welfare.
- We teach children respect for their bodies, and how to look after themselves. We discuss these issues with the children in PSHCE lessons and we reinforce these points as part of our healthy schools/Forest Schools programmes, where children learn about eating and hygiene and learning in the outdoor environment. We also show them how to move and play safely in PE lessons.
- Health and safety issues also arise when we teach care for the environment and awareness of the dangers of litter. Key Stage 2 children’s receive sex and drugs education. (See the Drugs Education Policy and Relationships and Sex Education Policy)
- Our school promotes the spiritual growth and welfare of the children through the RE curriculum / SMSC curriculum and through special events such as harvest festival, and through our daily acts of collective worship.
- Each class has the opportunity to discuss problems or issues of concern with their teacher. Teachers use circle time to help children to discuss and overcome any fears and worries that they may have. Teachers handle these concerns with sensitivity.

School meals

- Our school provides the opportunity for children to buy a meal at lunchtimes. At present, all Key Stage 1 children up to 7 years old are entitled to a free school meal. If parents are in receipt of income support, they may claim free school meals for their children. We do all we can to ensure that the meals provided have a suitable nutritional value and work with Taylor Shaw to achieve this.
- Care is taken to ensure pupils with food allergies are given meals that are safe and of nutritional value.
- All relevant staff have undertaken allergens training and notices concerning allergens are displayed within and around our school building.
- If children choose to bring their own packed lunch, we provide them a suitable place to eat their lunch, and we supervise them during this time.
- Our schools promotes a healthy lifestyle and has the Healthy School Standard.

Child protection

- There is a named person responsible for child protection in the school. This is **the Head teacher**, but this may be delegated in some circumstances. The **Deputy Head teacher** is the deputy Designated Person for Child protection. See child protection policy for details.
- We require all adults employed or having contact with pupils in school (eg staff, volunteers, contractors etc) to have been DBS checked before being allowed access to pupils. This includes adults accompanying Educational Visits if there is any situation in which they will be unsupervised with children.
- Our **Single Central Record** contains evidence of all DBS checks undertaken and other details relating to various checks undertaken on adults to ensure they are entitled to undertake their role within school and to ensure compliance with legal requirements.

Visitors in school

- The entrance to the school is kept locked to prevent unauthorised access.
- We have an intercom system and internal door release.
- All visitors will sign the visitors book on entering the school and wear a visitors badge at all times.
- Staff should report any potentially unauthorised visitors to the Head Teacher as soon as possible. Staff should not put themselves at risk by challenging intruders, but should ensure pupils are moved to a place of safety.

Seat belts

Our school only uses coaches and mini-buses that have seat belts provided. We instruct pupils to wear seat belts at all times when the vehicle is moving.

When staff cars are used to transport pupils the law regarding child restraints is always followed without exception.

Educational visits and Off-Site Activities

Our school recognises the educational benefit of educational visits and off-site activities and the valuable contribution such activities can play in supporting the curriculum.

The school will follow the Local Authority guidance on Educational Visits and seek Local Authority approval for all visits where LA approval is required.

Governors delegate the Head teacher authority to approve all visits on behalf of the school with the exception of overseas visits and those involving adventurous activities requiring an AALA licence. Approval for such visits will be made by the governing body.

Educational Visits for the previous term will be included in the head teacher's termly report.
