Dear Year 1 and 2 Parents,

Now that the children have been back into school for a couple of weeks we thought that everyone might find it useful and informative if we held a short informal parents session after school in order to talk about the kinds of activities, curriculum, and overall work that your children will be doing this year in Class 2 with Mrs Redfern. We understand that children can sometimes find it a little bit of a 'shock to the system' when they move from the much more structured play and enquiry based curriculum in Reception to the more formal curriculum approach in Key Stage 1 and Years 1 and 2. This meeting will give EYFS and KS1 teachers the opportunity to talk you through how the curriculum and teaching is structured the way it is in Y1 and 2 and how / why this is different from Early Years.

We would love to see as many of you as possible for this short parents information session on **Tuesday 24<sup>th</sup> September from 4pm to 4.45pm in Class 2,**

Yours sincerely,

Mr M Stephenson  
Head teacher.

---

Head Teacher: Mark Stephenson B.Ed. (Hons) M.A.
