The school discourages children from wearing earrings in school. However, if children have earrings they must be a small stud which cannot be easily caught and cause injury. Earrings must be removed for PE. If your child is unable to remove their own earrings, it would be useful for them to be taken out on PE days as staff are unable to do this.

We do not allow children to wear smart watches that connect to the Internet/Bluetooth however children can wear watches or pedometers.

It is extremely important that all items of clothing are labelled so that we can match uniform easily to pupils and reduce the amount of clothes we gather in lost property.

Many thanks for your help and continued support with this matter,

Mr. M. Stephenson.
