- Physical Environment
- Information

## **4. Access Audit**

## **5. Management, coordination and implementation**

## **6. Action Plan**

## **1. Vision Statement:**

We aim to make everyone at Witton-le-Wear Primary School feel that they are part of one big family where each individual can believe in themselves and reach for the stars.

At our school we aim to create a safe, secure, happy, stimulating, well disciplined and purposeful environment where children enjoy their learning and are motivated, which enables them to become independent, confident and enquiring learners.

We value each child and encourage them to respect and value themselves and others in the community, forming positive attitudes and developing a sense of right and wrong, good behaviour, consideration for others and care of the environment.

We aim to build upon the experiences of children at home and in pre-school education, helping children to acquire knowledge, skills and concepts relevant to their life now and in the future.

We strive to provide children with opportunities for a rich variety of learning experiences, enabling children to develop the powers of imagination, creativity and self-expression.

We believe that all of our children should have the right to experience a broad, interesting and creative curriculum which draws links with the area in which they live, whilst developing all children's skills and interests, whatever they may be!

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation". According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. The current Plan will be appended to this document.

1) The Witton le Wear. Primary School Accessibility Plan has been developed and drawn up based upon information supplied by the Local Authority, and consultations with pupils, parents, staff and governors of the school. Other, outside agencies and specialists have also been consulted. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes. The intention is to provide a projected plan for a three year period ahead of the next review date.

2) The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. We understand that the

Local Authority will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

3) Witton le Wear Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

4) The Witton le Wear Primary School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:-

- Increase the extent to which pupils with a disability can participate in the curriculum
- Improve and maintain access to the physical environment of the school to enable pupils with a disability to take better advantage of education, benefits, facilities and services provided or offered
- Improve the availability of readily accessible information to pupils with a disability; the information should be made available in various preferred formats within a reasonable timeframe

5) The Witton le Wear Primary School Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

6) Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

7) This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Asset Management Plan
- Behaviour Management Policy
- Curriculum Intent Statement
- Equality Policy Statement and Objectives
- Health & Safety Policy
- School Improvement Plan
- Special Educational Needs Policy

8) The Accessibility Plan for physical accessibility relates to the Access Audit of the School, which remains the responsibility of the governing body. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the ongoing period.

9) The Accessibility Plan will be published on the school website.

10) The Accessibility Plan will be monitored through the Governor Finance and Premises Committee

11) The school will work in partnership with the Local Authority in developing and implementing this Accessibility Plan.

12) The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.

## **2. Aims and Objectives**

Our Aims are:

- Increase the extent to which pupils with a disability can participate in the curriculum
- Improve and maintain access to the physical environment
- Improve the availability of readily accessible information to pupils with a disability

## **3. Current good practice**

**Aim:** Increase the extent to which pupils with a disability can participate in the curriculum

We aim to remove any barriers which may prevent pupils with a disability from accessing the curriculum as fully as their peers.

Current good practice:

- We use tailored resources e.g. pencil grips, visual timetables, wobble stools, motor-skills programs and a number of therapy programs to support identified pupils
- We differentiate the curriculum to meet the needs of all pupils
- Staff are trained to help meet a range of specific needs e.g. ASD, speech and language
- Identified pupils have individual outcomes which challenge and meet their needs
- Staff adapt and modify their teaching to meet the needs of all pupils
- Staff regularly communicate with parents to discuss needs and provision
- Curriculum progress is tracked for all pupils, including those with a disability
- All children are given equal access to a wide range of curriculum activities which are planned to meet a range of needs e.g. visits, visitors, themed days/weeks

**Aim:** Improve and maintain access to the physical environment

We aim to meet the needs of pupils with a disability with regards to accessing the school environment as much as possible.

Current good practice:

- We seek advice from professionals when needed to support us in adapting the physical environment
- We have made adaptations to meet the needs of pupils including:  
Ramps

**Aim:** Improve the availability of readily accessible information to pupils with a disability

We aim to use a range of communication methods to make information accessible to all pupils.

Current good practice:

- Visual timetables
- Internal signage
- Curriculum worship addresses different needs and promotes acceptance
- Large print resources
- Pictorial or symbolic representations
- We have an open door policy so staff are available to talk to parents promptly when necessary.

#### **4. Access Audit**

The school is a one-storey building and has several access points from outside. The hall is on the ground floor and is accessible to all but is separate from the main building. The accessibility is limited to the playground due to the steps.

All entrances/ exits to the school are either flat or ramped and where possible have wide doors fitted. The main entrance features is fully accessible to wheelchair users. There is an accessible toilet facility available. This is fitted with a changing bench, handrail and an emergency pull cord.

#### **5. Management, coordination and implementation**

- We will consult with experts when new situations regarding pupils with disabilities are experienced.
- The Governors and Senior Leadership Team will work closely with the Local Authority

## 6. Action Plan

### Aim 1:

#### To Increase the extent to which pupils with a disability can participate in the curriculum

Our key objective is to reduce and eliminate barriers to access to the curriculum and to ensure full participation in the school community for pupils, and prospective pupils, with a disability.

Targets	Actions	Timescale	Responsibilities	Success Criteria
To ensure all staff have a thorough understanding of the needs of their pupils.	SENCO to liaise with staff at key transition points to ensure they have understanding of needs of pupils. Staff to liaise closely with the next teacher at the end of academic year. SENCO to arrange CPD when appropriate for teachers and TAs.	Annually  June/July  Ongoing	SENCO Teachers	Staff are knowledgeable and able to plan effectively to meet the needs of their children
To review the curriculum regularly to ensure it meets the needs of all	Regular staff review meetings/curriculum audits followed by amendments to curriculum as needed	Ongoing - Termly	HT/DHT All subject leaders	Curriculum meets the needs of all pupils
To set appropriate outcomes and carefully review progress of all pupils including those with additional needs. SEN pupils.	SENCO regularly meets with class teachers and supports with setting outcomes on SEN Support Plans Staff to talk to and take account of views of children in setting outcomes (where appropriate) Data analysis Regular liaison with parents	Termly	SENCO Teachers	Progress made towards achieving SEN Support Plan targets
